Dear Sirs:

Kings Local School District (Billed Entity# 129808) is appealing Year 4 Funding Commitment Decision Letters for Form 471, application numbers 223454 and 228637. We were told these were rejected because the SLD did not receive a signed 470-certification form. However, we have a copy of the signed form and signed certified mail receipt proving that it was signed and mailed on October 21, 2000 and received on October 26, 2000.

Kings Local never received a commitment letter and therefore called to have a copy mailed or faxed to us. The SLD should have records of our multiple requests. We again asked for these forms to be faxed to us on November 27, 2001 after conversations with Nathan Littlejohn, Kendra, Russ, Mary Lee, and Scott. On December 10th, we finally received a copy of our commitment letter. In that letter it was noted that we did not receive funding because our Form 470 had not been certified. If we had received the original letter or even a copy after one of our several requests, we would have known there was a problem and would have responded during the original 30 day time period. Kings Local School District feels that we should not be penalized for the lack of communication and therefore, request that our original funding be granted.

We are sending a copy of our original 470-certification form and a copy of the U.S. Postal Service certified mailing of this form that was sent to SLD-Form 470 c/o Ms. Smith and signed for by Wanda Allen-Oshel from the SLD on October 26, 2000.

We understand that errors can occur and only want these to be corrected so that Kings Local School District can receive funding for our external telephone related charges.

We appreciate your time and consideration into this matter.

Sincerely,

Robert Grimshaw
Director of Technology
Kings Local School District
